

## SF Transportation 2045 Task Force Members

The Task Force was convened by the Honorable Mayor Edwin M. Lee and Board of Supervisors President London Breed. Co-chaired by Andres Power, Senior Advisor to Mayor Lee, and Sunny Angulo, Legislative Aide to San Francisco County Transportation Authority Chair and City Supervisor Aaron Peskin, the Task Force has been meeting to identify unfunded needs of the City's transportation systems, and to research and identify locally-controlled revenue sources to help meet those needs.

The Task Force represents the community at large, including individuals representing neighborhoods; small and large businesses; transportation, housing and environmental justice advocacy groups; labor and civic organizations; and city and regional transportation agencies.
